Corporate Profile

Beyond Academics,
Building Strong Values and Future Leaders

Life Education

WE LIPS

Lifelong Inspiration and Personal Support

Little India Public School (LIPS) is a renowned co-educational English-medium secondary school that has been nurturing young minds **since 1996** under the aegis of **Ernad Welfare Trust**. Nestled amidst a breathtaking spot that boasts a panoramic view of the scenic Thadapparamba village, **LIPS** is conveniently located just 1.5 km away from Mongam town in Kerala's Malappuram district. The school is affiliated with the prestigious CBSE, Delhi (930518).

Ever since our inception, we have been devoted to community development in various domains such as emotional, business, individual, and literary growth, along with sports and physical education, all of which **ultimately lead to the upliftment of society**.

LIPS, therefore places a strong emphasis on  **Life Education**, ensuring that our students not only excel academically but also acquire essential 21st century life skills to thrive in the modern world.

500K+
Students

Mission

The school goes above and beyond the requirements of traditional education to shape the students into adaptable individuals, exhibiting the spirit of excellence in all facets of life and imprinting the importance of morality and truth in them.

Vision

We envision the holistic development of the students by bringing up intellectually and spiritually strong competent pillars for the society and nation, who will leave their footprint behind as they contribute positively to their communities and country.

LIPS
Life Education

Life education skills form the cornerstone of an individual's personal development and achievement. They guide navigating complexities in life, nurturing profound connections, making informed choices, and attaining their goals. These skills enable the art of living gracefully in an ever-evolving world.

To redefine education by making it accessible to all ages and fostering lifelong learning that transcends boundaries. As we navigate a world filled with ever-evolving challenges, it equips individuals with the knowledge and skills to tackle life's complexities, improving their lives one step at a time.

01

Health and Wellness Workshop

Discover the key principles of maintaining physical, mental, and emotional well-being to live a healthier, more balanced life.

03

Financial Management Masterclass

Learn how to effectively manage personal and business finances with smart budgeting, saving, and investment strategies.

02

First Aid and Disaster Management Training

Acquire essential skills to provide first aid and effectively manage emergencies and disasters, ensuring safety in critical situations.

04

Entrepreneurship Development Program

Master the art of building and growing a business with innovative strategies, practical tools, and a strong entrepreneurial mindset.

06

Leadership Skills Training

Develop essential leadership qualities such as communication, decision-making, and team-building to inspire and lead effectively.

05

Stress Management Workshop

Gain practical techniques to reduce stress, enhance resilience, and maintain emotional balance in challenging situations.

Whether it's cooking healthy meals, understanding family dynamics, or mastering financial management, this approach prepares them to meet the demands of the modern world with compassion and confidence.

Our approach to life skill education also emphasizes hands-on learning rather than a mere exam-driven assessment. Through a combination of one-on-one sessions, interactive group workshops, real-world experiences, personalized mentor ship initiatives, etc., The students are given the indispensable resources to excel academically and in their personal and professional lives.

07

Problem-Solving Bootcamp

Enhance your critical thinking and analytical abilities to tackle complex challenges and implement innovative solutions.

09

Mind, Body and Soul

Our objective is to help students understand the deep connection between body, mind, and soul, fostering all three to achieve profound equilibrium.

08

Empathy and Emotional Intelligence Workshop

Build emotional intelligence and empathy to foster stronger relationships and compassionate interactions in personal & professional settings.

LIPS
Career Corner

LIPS Career Corner, Guiding Every Step

Our mission is to help students make informed career choices through personalized counseling, workshops, and resources.

01

Personalized Counseling

One-on-one sessions to explore career interests and goals.

03

Career Assessments

Tools to identify strengths and potential career paths.

02

Workshops & Seminars

Events with industry experts to provide career insights.

04

College Guidance

Support for college applications and scholarships.

LIPS Talk, A Platform For Growth

A unique platform designed to unearth the public speaking talent among our students. LIPS TALK provides a supportive space for students to share their thoughts, personal anecdotes, and experiences, fostering confidence, creativity, and effective communication skills.

01

Eradicate Stage Fear

LIPS TALK helps students overcome stage fear, making them comfortable with the stage and audience. This builds confidence and prepares them for future public speaking opportunities.

03

Personalized Coaching

We offer personalized training to students selected for the Grand Finale, ensuring they're well-prepared for the stage.

02

Unleash Creativity

LIPS TALK fosters creative skills among students through scriptwriting and storytelling. This enhances their creative writing and public speaking abilities.

04

Amplify Your Voice

LIPS TALK extends beyond the school, leveraging social media to showcase student talent and creativity, promoting a wider reach and audience engagement.

Cultivating Values for a Unified Future

At LIPS, we focus on nurturing ethics, spirituality, and inclusivity. With students from diverse backgrounds, we create an environment of respect, empathy, and understanding. Our aim is to empower individuals to embrace diversity and contribute positively to a harmonious and inclusive world.

LIPS Madrassa

A dedicated program for Islamic education, fostering spiritual growth, religious knowledge, and moral values.

LIPS Moral Education

A comprehensive curriculum focused on character building, ethics, and life skills, promoting respect and understanding across cultures and faiths.

LIPS
Kindergarten

**A Mother Teacher Approach
Personalized Care for Every Child**

At LIPS Kindergarten, we believe in nurturing young learners through a holistic and personalized approach to education. Our innovative Mother Teacher Concept ensures that one dedicated teacher guides and mentors each class, covering all subjects.

Focused Attention

The teacher dedicates undivided attention to the student, ensuring no distractions and maximizing learning efficiency, concepts are explained thoroughly, and any doubts are addressed immediately.

Consistent Bonding

The 1:1 approach ensures a strong relationship between the teacher and the student, fostering trust and comfort. This bond encourages open communication and active engagement in the learning process.

Holistic Development

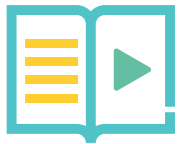

Beyond academics, the teacher focuses on the emotional, social, and moral development of the student, builds confidence and self-esteem through consistent encouragement and support.

Advantages of the 1:1 Model

Improved Learning Outcomes : Tailored teaching improves understanding and retention

Adaptability : Lessons can be adjusted dynamically based on the student's pace and interest.

Confidence Building : Individualized focus helps the student overcome challenges and build self-confidence.

LIPS
Hybrid
Schooling

At LIPS Hybrid Schooling, we combine the best of traditional education with modern, technology-driven learning approaches to create a dynamic, flexible...

Especially ideal for those living abroad, such as in Saudi Arabia, Qatar, or other countries around the globe, who desire quality education at affordable costs.

*LIPS is excited to announce our plans to implement the **UK syllabus and British curriculum standards**, offering a world class education that prepares students for global opportunities and success.*

Global Learning Access

Students can attend classes from anywhere in the world, ensuring uninterrupted education for families living abroad.

Flexible School Visits

Students can join in-person classes whenever visiting the school, blending online and on-campus experiences.

Affordable Global Education

Parents working abroad can avoid enrolling children in expensive local schools. Our hybrid model provides quality education at lower costs, keeping families connected.

Family-Centered Learning

Stay with your children during vacations with on-campus accommodations.

01

Origin & Purpose

Born during COVID-19, we aimed to support LIPS families abroad, solving challenges of balancing work, education, and travel.

03

Flexibility for Families

Study online, travel, and receive offline mentorship when back. Education never stops, no matter where you go.

02

Parent Driven Evolution

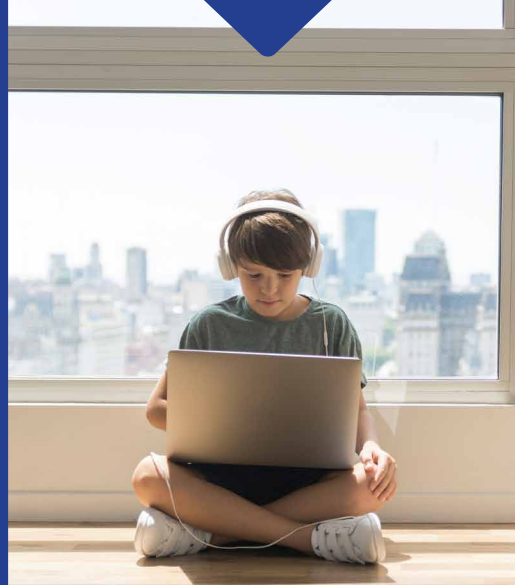

What started as a support initiative evolved into a flexible, vital solution for parents needing adaptable schooling for their children.

04

Future Focused Education

We offer a customizable curriculum blending academic basics with skills for tomorrow. Learning at your child's pace!

05

Affordable & Open Source

Minimal cost, maximum exposure. A 50:30:20 model: 50% academics, 30% new skills, and 20% community-based learning.

LIPS
Sports Academy

LIPS
Innovation
Robotics & AI

Our school robotics team is where creativity meets technology, providing students with the opportunity to explore science, technology, engineering, and mathematics (STEM) in an exciting, hands-on environment.

Beyond competitions, our team engages in outreach programs, sharing the wonders of robotics with younger students and the local community.

LIPS

Co-curricular
Activities

Co-curricular Activities are programs that complement classroom learning, fostering all-round development. These include sports, arts, debates, and community service, helping students build creativity, teamwork, and leadership skills while exploring their interests and talents.

Handball

A fast-paced team sport of agility, strategy, and scoring goals.

Kho-Kho

A traditional sport of teamwork and quick reflexes.

Highlights

Enhancing student skills and creativity through diverse activities like music, art, sports, and more

Guitar

Learn the art of melodies and chords with expert guidance.

Taekwondo

Build strength, discipline, and self-defense skills.

Drawing

Unleash your imagination with colors and sketches.

Chess

Sharpen your mind with strategic gameplay and tactics.

Dance

Express creativity through rhythm and movement.

Special Education for Differently-Abled Students

Providing tailored education programs designed to meet the unique learning needs of differently-abled students, ensuring inclusivity, skill development, and personal growth in a supportive environment.

We are proud of our strong alumni network, which not only organizes a few orientation classes for students but also offers professional development for teachers.

We offer flexible timings for
academics in Kerala State Open
Regular streams integrated sports.

01

Excellent opportunities
for all Kerala & All India
